Secretary to Government, Law Department,

Sir,

I have the honor to forward herewith a copy of resolution No 1017 passed by the Municipal Council at their meeting held on 31st July 1942 stating that Sunday be treated as a working day and Monday be declared a holiday for the Municipal Offices The object of this resolution is ascertained to be that the public could transact business on that day as it would be a general holiday for all the other offices

2 At the time this resolution was discussed I pointed out to the Council that although having the Municipal Office on Sunday would be a very great convenience to the general public, especially officials in Govern and other offices who have got work on other days, still it would be very hard ~~lance~~ times to the Municipal employees who will not have leave on the days on which other people have leave and therefore they could not transact business with others who have leave that day As an alternative, perhaps the Municipal Office may work on Sunday morning between 7 30 and 11 30 A M and they may be given leave on Monday, as an experimental measure

3 In case this resolution is to be approved by Government rule 1, Chapter IX, page 46 of the printed rules and bye-laws of the Mysore City Municipality will have to be suitably altered Early orders of Government are solicited

I have the honour to be,
Sir,
Your most obedient servant,

Mysore city Mdy be amended
accordingly, I am directed
to state that at present Sunday
is a holiday for work in all the Govt offices & the
the Md offices in the State & that this practice
is in vogue for many years & this
uniform for all offices. The reasons
adduced for the proposed change in respect of the city Mdy
are not convincing. The
~~resolution also does not~~ also show
~~that there is any~~ such more from
~~the~~ public of the proposal ~~should~~
is accepted, ~~that~~ the Christian officials
employed in the office might claim
exemption from attending the office on
Sundays & further, from the Point of View
of effecting transactions with Banks,
receiving of moneys & correspondence
with other important offices in the
Mysore city the arrangement proposed
would ~~be a back to difficulties~~ be highly inconvenient
Having regard to the above facts stated in the letter to Mysore city Md
above Govt consider that there is no need to deviate
